**ELECTRIC AGGREGATION NOTICE**

July 10, 2021

Dear Pecatonica Resident or Small Business Owner,

The Village is pleased to inform you we are continuing our Electric Aggregation program. Eligo Energy IL, LLC was selected as the new supplier for a 36-month contract term ending September 2024 at the fixed rate of 6.084 cents per kWh beginning on your September 2021 meter reading. There are no enrollment, switching, or early termination fees. You do not need to take action to participate; your account will be automatically enrolled unless you opt out.

**NO CHANGES IN YOUR BILLING OR SERVICE.** You will continue to receive one monthly bill from ComEd and be eligible for the same programs you are eligible for now through ComEd, such as Budget Billing, payment agreements, and energy efficiency programs. ComEd will continue to safely and reliably deliver energy to your home or business as well as restore your service if a power outage occurs.

You may also purchase your electricity supply from other Retail Electric Suppliers or ComEd. For more information, visit [www.pluginillinois.org](http://www.pluginillinois.org). You may request from the Illinois Power Agency, without charge, a list of all supply options available to you in a format that allows comparison of prices and products.

**ENROLLMENT PROCESS.** Once your account is enrolled, you will receive a Confirmation of Change in Electric Supplier letter from ComEd confirming your switch to Eligo. Approximately 30 to 45 days after enrollment, you will receive your first ComEd bill to reflect Eligo as your supplier at the new fixed rate of 6.084 cents per kWh. Please see enclosed Terms and Conditions and sample ComEd letter.

**OPT-OUT INSTRUCTIONS.** If you choose not to participate in the municipal aggregation program, you may elect to be removed from the program by emailing [Pecatonica@eligoenergy.com](mailto:Pecatonica@eligoenergy.com), calling Eligo at (312) 260 0885, or completing and returning the enclosed Opt-Out form by August 4, 2021. If you do not opt out, you will have been deemed to have authorized and agreed to having your electric supply service switched to the Electric Aggregation program under the program terms and conditions. For more information, visit [www.eligoenergy.com/cities/il/Pecatonica](http://www.eligoenergy.com/cities/il/Pecatonica). We encourage you to contact Eligo Customer Care (8a - 6p, Mon-Fri at (312) 260 0885) before contacting the Village with questions.

**Please note: To participate in the program, you do not need to respond.** Opt-out only if you do not want to participate in the Pecatonica Electric Aggregation. No one from Eligo, ComEd, or the Village will visit your home or call regarding the program. Anyone who contacts you requesting that you switch suppliers is not affiliated with the Village’s program or ComEd.

Sincerely,

The City of Pecatonica

**Eligo Energy IL, LLC - Pecatonica Aggregation Program Terms**

The Village of Pecatonica (Standard), pursuant to the municipal aggregation authority, which passed by a majority of the vote, selected Eligo Energy IL, LLC ("Vendor" or "Supplier") to supply the aggregation and to administer enrollments as described below. You, the account holder (also referred to as "Customer") for the utility account ("Account") applicable to the service address referenced on the letter accompanying this Opt Out Notice (the "Account"), and Vendor agree to the following terms and conditions. Vendor and Customer (individually referred to as "Party" and collectively as "Parties") agree to the following Terms of Service ("Agreement"), as of the first meter read date in September (the "Effective Date"). This Agreement authorizes Vendor to change Customer's electric supplier in the territory of Commonwealth Edison (the "Utility").

1. **Price and Service:** For the Initial Term, Customer shall pay the fixed price of 6.084 cents per kWh. Both Parties recognize that components of Vendor's charges include electric tariff charges that are authorized by the Illinois Commerce Commission, Independent System Operator, other state or governmental agencies having jurisdiction, and/or the Federal Energy Regulatory Commission. Vendor shall not impose any fees or charges on Customer other than the Price set forth above. While Vendor does not charge Customer a separate fee to switch to Vendor's service, if Customer is currently receiving electricity pursuant to an agreement with another alternative retail electric supplier, that supplier may charge Customer for switching electricity providers. Customer may compare the fixed price terms herein to market conditions by looking at the rates posted on Vendor's website and on Customer's monthly bill. In addition, Customer shall pay and be responsible for all other amounts related to the purchase and delivery of electricity, including applicable taxes and charges. If Customer is interval metered, Customer shall also be responsible for additional costs resulting therefrom. Please see Vendor's website [www.eligoenergy.com](http://www.eligoenergy.com) for current market conditions and updates.
2. **Enrollment:** (a) **Opt-Out Enrollment** (Automatic Enrollments due to non-action within 21 days from the postmark date of this notice). Enrollment is automatic if (i) the account(s) to be served is/are eligible and (ii) Customer does not opt-out of City's electric aggregation program. IF YOU DO NOT WISH TO PARTICIPATE IN THE AGGREGATION PROGRAM, YOU MUST OPT-OUT WITHIN 21 DAYS FROM THE POSTMARK DATE OF THIS NOTICE. YOU CAN OPT-OUT BY RETURNING THE FORM, by calling Eligo at (312) 260 0885, or through email at [Pecatonica@eligoenergy.com](mailto:Pecatonica@eligoenergy.com) (b) **Opt-In Enrollment** (Affirmative Enrollments). Enrollment for the remainder of the current program is open to those who opt-out or are otherwise not automatically enrolled if (i) the account(s) to be served is/are eligible and (ii) Customer chooses to opt-in to the program. You can Opt-In by (1) calling Vendor at (312) 260 0885 or (2) contacting Vendor online at [www.eligoenergy.com/cities/il/Pecatonica](http://www.eligoenergy.com/cities/il/Pecatonica).
3. **Eligibility:** Customer and the Accounts to be served (i) must be located within the jurisdictional boundaries of the City, (ii) must be served by the Utility on one of the following rate classes: BES, BESH, and RDS (which in general terms apply to residential non-electric space heat service and small commercial customers), (iii) may not be under agreement with another Alternative Retail Electric Supplier, and (iv) must be in good credit standing with the Utility.
4. **Term:** This Agreement shall become binding on the Effective Date, however, this Agreement is contingent upon: (a) successful enrollment by the Utility and (b) the passage of the Rescission Period without effective cancellation by Customer. Successful enrollment by the Utility is dependent upon (i) the eligibility of Customer's Utility accounts, as determined by the Utility, to take service from an alternative retail electric supplier and to participate in the Utility's purchase of receivables program, and (ii) the accuracy and completeness of the information submitted for enrollment. Service will commence on the later of (a) the meter read in September, 2021 or (b) the first meter read date following successful enrollment by the Utility. Service shall remain in effect for 36 months / billing cycles ("Initial Term"), unless terminated pursuant to the terms of this Agreement. This Agreement will start when Vendor provides confirmation to Customer's local distribution company and the local distribution company initiates the change.
5. **Rescission Period:** Customer may cancel enrollment by contacting the Supplier at (312) 260 0885 without penalty up to 10 calendar days after the Utility processes the enrollment request (the "Rescission Period"). However, if you choose to terminate the Eligo Energy Agreement prior to the end of the applicable term, you will not be charged an early termination fee. If you terminate your agreement early, you will be obligated to pay for services rendered under the contract (kWhs supplied) until service is terminated.
6. **Termination; Remedies:** If either Party defaults on its obligations under this Agreement (which may include Customer's switching to another electric supplier or the Utility or Customer's failure to pay the Utility), the other Party may terminate this Agreement, as applicable. In addition, if Customer chooses to terminate this Agreement based on a recommendation from the City in the event that Vendor has materially breached the Aggregation Program Agreement between Vendor and the City's, then Vendor shall not be liable to Customer for any damages or penalties resulting from such termination of this Agreement, including claims related to the price received from the Utility or an alternate retail electric supplier being higher than the Price herein, unless Vendor has also materially breached these Terms of Service.
7. **Renewal:** In the event the Aggregation Program is not renewed or extended, you will be restored to utility bundled service at the end of the term of this Agreement. If the Aggregation Program is renewed or extended, you will receive a notice with the proposed specific rate, terms and conditions and the opportunity to opt-out of the Aggregation Program.
